

American Board of Addiction Medicine

4601 North Park Avenue • Upper Arcade, Suite 101 • Chevy Chase, MD 20815-4520

How to Prepare for the Examination

The ABAM Certification/Recertification Examination covers the broad body of knowledge of addiction medicine. Examinees can expect questions on any or all topics that an addiction physician in any specialty can reasonably be expected to know.

Review Courses

- **CSAM Addiction Medicine Review Course**, August 5 – 8, 2012, San Francisco, CA

The Review Course presents an overview of the core elements of addiction medicine, presented by top experts in the field. Participants receive a course syllabus with copies of all lecture handouts and a CD-ROM study guide and help prepare for the exam. CSAM offers a Certification Exam Preparation Track during the Review Course. During the conference plenary, participants in the Certification Exam Preparation Track will sit at designated tables with other exam takers and facilitators who will help identify the key material for the exam and answer questions. Continuing Medical Education: 30 AMA PRA Category 1 Credit(s)[™] (estimated). For more information, call CSAM at 415-764-4855 or email: csam@compuserve.com
Website: www.csam-asam.org

- **ASAM Addiction Medicine Review Course**, September 10 -12, 2012, Nashville, TN

At the ASAM Review Course you will receive sample questions, a syllabus, and lectures that review subjects including epidemiology, alcohol, opioids, cocaine, and other topics that you will see on the exam. Continuing Medical Education: 21 AMA PRA Category 1 Credit(s)[™] (estimated). For more information call the ASAM Conference Department at 301-656-3920 or email: meetings@asam.org
